This matter comes before the Public Service Commission of South Carolina ("the Commission") by way of the request of Key Communications Management, Inc. D/B/A Discount Plus ("Key"). On January 16, 1996, this Commission issued Order No. 96-45 in this Docket granting Key a Certificate of Public Convenience and Necessity to provide resold intrastate telecommunications services within the State of South Carolina. That Order, however, did not reference the "doing business as" name Discount Plus. The Commission intended to grant the authority to Key Communications Management, Inc. D/B/A Discount Plus, as the corporate entity is named such. The error was inadvertent and unintended. Therefore, we now grant Key's request for clarification of the grant of the Certificate.

Order No. 96-45 grants to Key Communications Management, Inc. D/B/A Discount Plus a Certificate of Public Convenience and Necessity to Provide Resold Intrastate Telecommunications Services
